PROFESSIONAL EXPERIENCE

WALMART
Brantford, ON | 2025 – Present

OMNI Associate

- Consistently sustain an above-average order fulfillment pick rate of 120+ items per hour within a high-volume retail environment.
- Recognized for exceptional inventory accuracy and picking efficiency, achieving a 94.5% First-Time Pick Rate (FTPR).
- Execute rapid curbside and delivery handoffs, competing against strict store dispense metrics to maintain wait times under 5 minutes for customer curbside pickups and under 7 minutes for delivery drivers.
- Maintain strict adherence to operational schedules, cold-chain protocols, and store-level stock management workflows.

BEST BUY
Brantford, ON | 2021 – 2025

Product Process Specialist

- Boosted store Net Promoter Scores (NPS) by over 30% through strategic visual merchandising and optimized product display layouts.
- Implemented new corporate planograms and submitted detailed feedback reports to HQ proposing layout amendments and resolving structural floor plan complications.
- Controlled internal and external shrink while sustaining a 100% inventory track record via rigorous, regular audits.
- Managed weekly incoming product freight shipments and accelerated fulfillment workflows, slashing Pick & Pack processing times from 8–10 minutes down to 2–3 minutes to consistently compete among district leaders.
